

Week 4 Questions to consider

In what areas of your life are you most likely to act as an “owner” of the gifts God has given to you rather than a “steward”? How is God leading you to change that dynamic?

Where (in what ways) do you tend to be the most risk averse? What kinds of risks make you most uncomfortable?

What are some experiences/risks that have helped to mature you in faith? Where/How have you seen risk produce faith in your life?

What might it look like for you to “take off the training wheels” of your faith? What choices could you make this week that would put you in situations that require faith of you?

How do you imagine your faith might grow as you embrace the “risk” of helping someone?

What might God be trying to convey to you about where he wants you to take the first step?
