

## Volunteer Opportunities at West Valley Community Services:

**1 Food Pantry** cleans are being scheduled for summertime. These take place 1 Saturday per month from 9am-12noon at the WVCS office here in Cupertino. A Food Pantry clean helps us to have a clean place for our clients to get their food each week. We look for volunteers who are willing to jump in, get their hands dirty and help out wherever they are needed! We look for groups of 8-12 people. Available dates are:

- June 20
- July 18
- August 22

**2 Landscaping project** to take place mid-late May that could take place during the week. This will be labor intensive but very rewarding as it will be sprucing up our Transitional Housing Unit for those we are working towards moving out of homelessness. We did this in the Fall last year and it was a big success! With Spring here, it's time for more weeding, hedge trimming and general sprucing up. We're looking for a group of 10-15 people.

**3 Back to school Shopping Spree** - I'm currently gathering emails of groups who are interested in participating, as we will need 100+ volunteers for this event. It will most likely be taking place the morning of August 8th or 9th, date and details are still TBD. This is a VERY FUN event in which volunteers are paired with a child who is a part of our programs and services - the child gets to go on a \$100 shopping spree (without their parents!) and with the volunteer as the chaperon. It's a busy and FUN morning!!
