

## VisionTrust Liberia End of Partnership with VisionTrust International

God has called us to support the mission in Liberia.

We want to let you know that after months of prayer and discussion, Robert Sondah (VisionTrust Liberia Country Director) and his board in Liberia decided to end their partnership with VisionTrust International. The Liberia board has directed Robert to continue the ministry of providing education, nutritious food, clean water, and the love of Jesus to children (preschool through high school).

We value VisionTrust International and the good work they are doing to care for children around the world.

We believe relationships are the foundation of ministry and missions. Our relationship and support are with the person God has called to the ministry/mission rather than the organization. We have had the privilege of knowing Robert and seeing God's work in his life and ministry for over 10 years.

Therefore, Peninsula Bible Church Cupertino and Willow Glen Bible Church are continuing to support Robert, the Coca Cola School (Program 3), and the ongoing ministry to children and families in need in Liberia.

This is a time of transition and we do not know all the details yet. We do know the Coca Cola School (program 3) is continuing to serve the children in the community. The construction of the new school building is also continuing.

Please prayerfully consider supporting Robert and the ministry God has called him to in his country. Regular or monthly giving supports the ongoing care and education of the children (daily operation of the school, providing a nutritious meal, educational materials for the children and classrooms, teacher support and training, etc.).

There will be an information table on the patio on Sunday, October 24th and 31<sup>st</sup>. We also hope to have an information meeting soon. Please stop by the table to sign up to receive mail or email updates.

For now, donations can be made by going to the PBCC website.

1. Go to [pbcc.org](http://pbcc.org) and click on the "Giving" tab.
2. Click on the blue box: "Click here to give"
3. You'll see a dropdown menu under "Designation"
  - "Liberia – School Support" – donations go toward the care and education of the children, and operating the school.
  - "Liberia – School Construction" – donations go toward the building of the new cement school.

You can also write a check and mail it to PBCC or put it in the offering box in the church auditorium. Please attach a note to the check indicating your designation.

Thank you for your prayers and support.
