The Big Picture

The Window

Bernard Bell

Background

With less than a week left before the election, the two presidential candidates continue to campaign, promoting competing narratives of themselves, of each other, and of the country. The Bible presents a much larger narrative, one that stretches from before the beginning of time till time shall be no more, one that stretches across all kingdoms, empires, rulers, peoples, and lands. The outline of this story is portrayed in our own Big Picture, the PBCC window, installed in 2007. Sunday's sermon will unfold God's great plan and how we fit into it.
